Important Reminders:

1. **Pick up your litter and place it in a Garbage Container. Do not leave it lying around the sidelines of the Volleyball Courts. We are also embarrassed to have to say it, but no pets are allowed.**
2. **Take your time in putting away Volleyball Equipment at the end of each day. Do not leave things lying on the equipment room floor.**
3. **The Score Cards at BWCS will be kept in a smaller Rubber Maid Container marked WSCVL. At the end of each day, the Score Cards are to be returned to the container and placed in the Equipment Room. Nets are to be placed neatly on the hooks. The Velcro straps along with the antennae are to be removed from the nets and placed in the corner by the volleyball poles. The Ref Stands at Bernie Wolfe are to be placed, standing up, at the rear of the equipment room near the floor mats.**
4. **The Nets at MBCI Red Gym are to be placed on the hooks on the wall by the women's change room. At the MBCI Blue Gym nets and poles are stored at the South East Corner of the Gym.**
5. **The Score Cards for both MBCI gyms will be kept in a smaller Rubber Maid Container marked WSCVL. This container will be kept in a Utility Room adjacent to the gym. Ask the MBCI "Custodial Engineer" for access to said room. Do not use the Men's League Score Cards.**
6. **The Home team is to call or email in the Match Results within 24 hours**
7. **When you are home team for the last time during the Round Robin place all score sheets for which you were the "Home Team", in the pre-addressed/stamped envelope and mail to your Tier Convenor.**

As we are all tenants of our gym facilities, we can be evicted at any time, please treat them with respect.
